Sir:

RESPONSE TO NOTICE OF ACCEPTANCE
OF APPLICATION UNDER 35 USC §371

Responsive to the "Notice of Acceptance of Application under 35 USC §371 and 37 CFR §1.495" (a copy of which is enclosed), applicants submit the following documents:

1. A copy of applicants' Preliminary Amendment, submitted April 6, 2005, concurrently with the originally filed application papers;
2. A copy of applicants' return address postcard indicating that this Preliminary Amendment indicating that

this Preliminary Amendment, containing 16 pages, was received together with the application papers;

3. A copy of applicants' Deposit Account Statement for September 2005, showing a debit in the amount of \$180; and

4. A new Supplemental Amendment dated today.

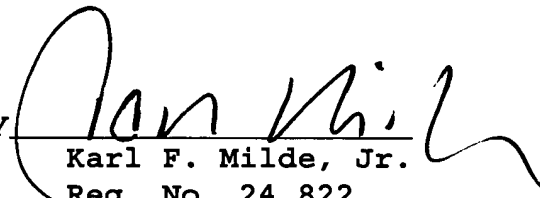

The second page of the Notice of Acceptance indicates that the Preliminary Amendment is missing page 12. This missing page must have been misplaced at the U.S. PTO because (1) applicants' attorney submitted the original Preliminary Amendment and retained a file copy which included page 12, and (2) the return address postcard indicates that all 16 pages of the Preliminary Amendment were received.

Since the Preliminary Amendment removed the multiple dependencies in the claims of this application, the amount of \$180 should not have been charged.

Applicants therefore respectfully request that \$180 be refunded to the Deposit Account No. 50-0427.

It is also respectfully requested that either the original Preliminary Amendment be entered in this application, or that the enclosed Supplemental Amendment, which is identical to the Preliminary Amendment, be entered.

Respectfully submitted,

By
